Based on "Little Orphan Annie"

By Permission of the

*Tribune Media Service, Inc.*

Set in New York in the 30's, Annie lives in an orphanage run by Miss Hannigan who is a sleazy, fairly unpleasant character. Annie was left as a baby with a letter saying her parents would return for her one day and the thought of this keeps her going! However sometimes she runs away to try and find them for herself.

One day, after escaping for a while, she is returned by a policeman and is about to be punished by Miss Hannigan when Grace Farrell arrives. She is the secretary to Mr. Warbucks, the millionaire, who wishes to give an orphan a holiday in his grand home for Christmas and Grace chooses Annie.

Annie is immediately loved by everyone, including Warbucks, and tells him she would love to stay but she is waiting to be reunited with her real mother and father. Warbucks then tries to help Annie find her parents by offering a reward for them to come forward. This heart warming musical is entertaining for all ages with many of the classic songs we all love including; "Hard Knock Life", "Tomorrow", "Little Girls", "I Think I'm Gonna Like It Here", "Easy Street", "N.Y.C" and many more!

Does she find her real parents? Come along to see if "The sun'll come out tomorrow" for Annie...
