It's a boy...it's a boy...

Congratulations to Debbie and Adrian Davis on the birth of Lucas on 25th February and to Steve and Helen Jessup for becoming Grandparents to Reece on 8th March

Committee Chat

Now the Music Hall is only weeks away! As always ticket sales have been very slow but lets all make an extra effort to sell just a few more tickets before opening night – We need the money in the bank to produce South Pacific.

So getting money out of the way first ☺ please

- Make sure your Subs and Show Fees are paid – see Karen
- Get Your Show tickets ordered and paid for – see Joanne
- Sell as many FSID raffle tickets as possible – see Paul

We will be meeting the Tuesday following the show so our first meeting will be 19th April. There will be a number of weeks before we start South Pacific rehearsal during which we will be rehearsing for Dickens and the Dockyard (See Dates for Your Diary) and running various workshops. However, if you are considering taking part in South Pacific you are encouraged to come along to this first meeting as the Production Team will be discussing the show and have audition pieces available.

This year we are trying to introduce as many different themes to our workshops as possible as they have been both very popular in the past and a good fund raiser. As in the past they will be open to non members but costs for them will be a little more. Whilst not set in stone please see next page for list of proposed subjects and dates.

If you have a skill you think you can teach to others and want to have a go let one of the Committee know.

Finally, the AGM is fast approaching and before long the Committee will be asking for nominations for people to sit on 2011/12 Committee. We will as always have a sheet at rehearsals and the workshops but to try and make it as easy as possible to nominate someone members will be able to use the enquiry function on the website. Please put Committee Nomination in subject line and clearly state proposed name, proposer and second. We will double check with proposers and seconds they are happy before adding the name to list.

Do you know anyone who would like to become a 'Friend or VP (Vice President) of Three Towns' ?

They can be involved as little or as much as they wish and for the annual fee of £50 they are entitled to 4 tickets a year which is 2 per show, invitation to any 3 Towns event and also the AGM, regular copies of The Luvvie and they are welcome to pop in to rehearsals to see what we are up to. This extra support is a big help to the company and with 4 tickets up for grabs its a bargain!

Or can you come up with that angle on fundraising that everyone else has missed – be it baths of beans or sponsored silence (more difficult for some than others!) – no idea is too stupid.
