

THE LUVVIE

HAPPY NEW YEAR!

from . . .

Chairman:	Debbie Harrold	Committee:	Lisa Harding
Vice Chairman:	Gwyneth Loft		Karen Martin
Treasurer:	Jill Gosden		Carol Pemble
Secretary:	Diane Martin		Stella Shaw
			Joanne Youdan

We hope you all enjoyed 2005
and have an even better 2006!

As you may be aware, we have recently finished a successful run of Scrooge the Musical, which was very enjoyable and I'm pleased to say that we **SOLD OUT** on Saturday evenings performance. Rehearsal and dress rehearsal pictures can be viewed on www.threetownstheatrecompany.co.uk.

Our thanks go to Rachel Cordell, Claire Butler and Martyn Clements, our production team and to everyone who took part in putting on this production.

Thank you for all of the biscuits and mince pies that were donated for rehearsals.

We are now starting rehearsals for Anything Goes, so please come along on Thursday to the United Reformed Church Hall, Gillingham. Our production team this year are: Director = Debbie Harrold, MD = Martyn Clements, with Peter Bailey at some rehearsals, Stage manager = Trevor Cleaves and making her debut appearance in Amateur dramatics as choreographer = Chloe Pemble.

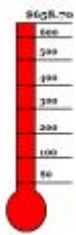

Open auditions will be held on 29th January 2006 at Upchurch Village Hall. Please call Debbie Harrold on 0870 7743481 if you would like more information.

As usual we are opening the artwork up for the posters and programmes but, would like you to try and keep it stylised and within the 1930's period, and remember to keep it to a maximum of 3 colours, including black. All artwork is to be given/sent to a committee member by Thursday 2nd February 2006.

You can also volunteer for any backstage work e.g. props, scenery etc by dropping a note to a committee member.

Now that we have started Anything Goes we need to make a decision on a show for April 2007, so please, if you have any ideas on what to do, or what not to do, please let the committee know.

Fundraising – We need 2 things from each of you!

- 1) An idea for a fundraising event
- 2) Any unwanted Christmas gifts that we could sell at a bootfair. We can store them in the companies garage, so please bring them to rehearsals, and we'll relieve you of them.

Over the last six months we have been working hard, along with our website sponsor, to build a new and informative site for our company. It has really taken shape now and we hope you are enjoying using it. Thanks need to go to Gwynnie and Jack for supplying photographs from some of our past productions - can any of you lend us any snaps for any of the shows that are still blank? They do need to be quite good to be able to be scanned into system and we may need to have them for a while, as this is a voluntary project for Mark of "Stillwater Technologies" and he can only do it in his spare time. Please let Jill have any photos you can lend us and if there is anything you would like featured - please feel free to email us with your ideas. Also - let as many people know that we are now hiring out props.

Don't forget to bring a friend with you to rehearsals
