## **Chairman's Chat**

Well Hi everyone, it seems like ages since I had time to sit and chat but here is my latest Chair chat!

The time is really flying by and we seem to be getting very busy at Three Towns; since our last chat we have performed at a Nursing Home, had 2 rounds of Sweeney auditions, raised some funds at a Quiz Night, helped raise funds at another Quiz Night and amongst all of this rehearsed our forthcoming show and advertised it at The Sava-centre.

Wow! Well done to everyone, it's not easy when juggling all of this with families and jobs. I hope Sullivan to Sondheim is a very successful and enjoyable time for you all and of course lets hope its profitable too! We have a great and very large cast and it should be lots of fun so although it is hard work, don't forget to reap the enjoyment from it - after all that's what you are there for.

We have our Melodrama coming up in May and the Dockyard in September so please try and support if you can. I appreciate how hard all this juggling is but it is so often the same people who support everything and if they get jaded or start to become resentful we will be really stuck, so please make every effort to help out every once in a while to share the responsibility - there's so much more to amateur theatre than just being on the stage!!!

Also Sweeney is due to start and we have some new prospective members and guests joining us so please do make them welcome.

If anyone has any ideas about more fundraising please let us know, we always need to keep feeding the piggy bank!

All the best for the show and a big thank you to those involved in all the organising, directing, music, choreographing and back stage etc.

**- Gwinny**

### **Sullivan to Sondheim**

Sullivan to Sondheim has been a lot of hard work and not without its difficulties but I hope that we will pull it off and have another good show to add to our collection.

Thank you all for your support and hard work and I hope you have had some fun too.

I particularly want to thank all the choreographers who have put together some amazing dance routines and Fay for all her work on the music side. Special thanks to Paul for numerous evenings helping me to decide what to put in and also what to leave out, (believe me if I had been left to my own devices this show would be 10 hours long), and for all his support throughout.

We have a good variety in this show with different styles of dance songs from all sorts of musicals so there should be something for everyone. Have fun and I am sure the audience will too. - **Debbie**

**All the best for Sullivan to Sondheim from all of the Committee, Directors, Music Directors and those wonderful people we like to call the Choreographers.**

### **Sweeney Todd**

Sweeney Todd is going to be a great opportunity for everyone including current, old and new members to perform a powerful and emotional production.

Rehearsals start on the 16th April 2009 at the United Reform Church in Gillingham.

The coming months are going to be exciting, rehearsing the very energetic songs and Three Towns are already arranging promotions including the Hempstead Valley on the 24th October 2009.

Thank you to everyone and although it will be hard work, I believe we will have a great show week. All the best to everyone for Sullivan to Sondheim. - **Sam**

He said, “You’ll sentence me to six years in prison.” If it was true, then the judge would have to make it false by sentencing him to four years. If it was false, then he would have to give him six years, which would make it true. Rather than contradict his own word, the judge set the man free.
