🎵 **When will I be Famous?** 🎵

sang Matt and Luke Goss in the 80's! Well, we are offering you the chance of 15 minutes of fame without having to release any naff singles. ITV are recording an episode of *Foyle's War* at the Chatham Historic Dockyard and need some extras. They are looking for men mainly and some women to be Dockyard workers and if you have period costume it would be helpful.

The story line – in brief - for the episode in question is '... there is an air raid and it uncovers a crime for Foyle and Sam to investigate.'

The dates for the recording are 21st, 22nd and 23rd June and times are 7am to 7pm. (We have been told breakfast is provided).

If you are interested and would like your name put forward please call **Paul Smith** on **01634 315522** by **Monday evening** and leave your name and phone number and we will

pass it on.

We understand that friends in GODS and New Phoenix Players are planning to take part and also believe that they are going to use the opportunity as a company fund raising event – donating their fees to their respective companies. We think this a good idea and would be hoping to follow their example.

What is Foyle's War

Starring Michael Kitchen & Honeysuckle Weeks, *Foyle's War* is a detective story set during the second World War. Detective Chief Superintendent Christopher Foyle and his driver Samantha Stewart, go about solving murder mysteries around the south coast during the turmoil's of the

war. (A kind of historic Frost or Morse!)

Tony's Concert

A date has been set for 25th September 2004. The rehearsal schedule will not be as 'heavy' as for a musical with individuals rehearsing separately and the chorus rehearsals for singing and dancing being once a week hopefully with some Sundays towards the end to get everything put together.

The first meeting is 15th June 2004 at 8pm The Brook, Chatham.

We are pleased to announce the production team are;
Director – Debbie Harrold
MD – Peter Bailey
Choreographer – Becky Farish

Three Towns Theatre Company

It is almost time for the AGM. You will get details in the post, but please bear in mind we will be asking for nominations for the Frank Shaw award and the 'Shirley'. For those who don't know what I'm talking about, the Frank Shaw is awarded to the person who, in the eyes of the members of the Company, has given outstanding service to the Company during the previous year and the Shirley is the Three Towns Theatre Company's very own version of the Oscar and is awarded to the person who in the eyes of members has given the best performance in any production in the season - this doesn't necessarily have to have been in a principle role. You will be getting forms for these in due course.

Do you think you are entitled to a NODA badge? Please let us know what year/show you started with us.

We look forward to seeing you all in June!
